

**Vendor Application
Saturday, August 19, 2017**

Three decades after a small group of citizens joined together to walk in unity to confront the AIDS epidemic, we now prepare to mark our 30th annual AIDS Walk Colorado. More than 7,000 walkers and runners, fueled by donations from more than 13,000 individuals, will again take to the streets of Denver's Capitol Hill neighborhood to raise money to prevent the spread of HIV infection and improve lives affected by HIV and AIDS. Colorado AIDS Project is pleased to present this annual event, which will include a 5K Walk & Run, volleyball tournament, day-long Celebration of Life Festival, memorial garden including panels of the AIDS Memorial Quilt, live entertainment, beer garden, and a host of other activities.
